USA Handprint Wreath

This handprint wreath is a good choice for memorial day, veteran's day or the 4th of July.

It works equally well as a group or family project (with each person contributing a handprint or two) or a solo craft.

Materials:

- glue,
- scissors,
- red, white and blue paint or construction paper.

Instructions:

- There are two ways to do this craft.
 - One is to trace the child's hand onto paper and cut out the prints.
 - The second is to make paint handprints on the paper and cut those out.
- Make nine handprints (3 of each colour).
- Cut out the prints and glue to form a wreath.
